A Message from Mayor Tim Stewart

SINGLE STREAM RECYCLING is coming to New Britain in the fall 2010.

I would like to thank the residents of New Britain for all your help in keeping our city clean. As the next step in our “Clean City” program, recycling will soon be commingled in 95-gallon wheeled carts that will be provided at no charge to residents by the City. Bottles, cans, newspapers, catalogs/magazines, junk mail, plastics 1-7, boxboard and corrugated cardboard will all be mixed together in the container and collection will be every **other** week instead of every week.

Benefits of this simplified method of recycling include no longer having to sort recyclables, additional materials will be recycled and money will be saved in disposal costs. In addition, our neighborhoods and curbs will be neat and orderly and we will all be contributing to the well being of our environment.

Thank you for working to make New Britain a “Clean City” and a better place for all of us. More information, including start dates for Single Stream Recycling in your neighborhood, will be coming your way shortly.

SINGLE STREAM RECYCLING

COMING EARLY FALL 2010

We are pleased to announce the arrival of automated SINGLE STREAM RECYCLING collection to New Britain. The new curbside program is anticipated to begin early fall 2010.

Single Stream is an easier process that requires no sorting and allows more materials to be recycled.

PROGRAM CHANGES

Recycling collection will be EVERY OTHER WEEK
Everything goes into larger 95-gallon containers.
NO SORTING

Additional materials can be recycled
Plastics 1–7
Boxboard (i.e. cereal & gift boxes)

BENEFITS

Save money: it is less expensive to dispose of recyclables than trash

Cleanliness of the City of New Britain

Help the environment

WATCH YOUR MAIL FOR MORE INFORMATION

STATE LAW REQUIRES RECYCLING
LOCAL FINES FOR NOT RECYCLING WILL BE ENFORCED.
First offense: written warning. Second Offense \$25. Subsequent offenses: \$100.

RECYCLING GUIDE

YES

CLEAN FOOD & BEVERAGE CONTAINERS
Must be cleaned and rinsed
Including laundry detergent
and shampoo bottles

PAPER
• Newspapers • Magazines
• Catalogs • Junk mail
• Office paper • Cereal Boxes

GLASS AND METAL FOOD & BEVERAGE CONTAINERS
Must be cleaned and rinsed

PLASTIC CONTAINERS
• Must be cleaned and rinsed
• #1–7

CORRUGATED CARDBOARD
Folded flat to 2'x3'

NO

TRASH
• Ceramics • Appliances
• Household rubbish

AEROSOL CANS

PRESCRIPTION DRUG CONTAINERS

SHARPS
• Knives • Light Bulbs
• Syringes/Needles (Regular special handling)
• Mirrors • Window Glass

PLASTIC BAGS
Recycle at Supermarket

TOXIC FLUIDS
• Antifreeze • Pesticides • Motor Oil
• Paint Cans • Household Cleaners

WHY RECYCLE?

- Saves Money
- Conserves Natural Resources
- Reduces Greenhouse Gas Emissions
- Reduces Carbon Footprint

Your 18 gallon recycling bin will no longer be used. Each property will be supplied with a new blue recycling container similar to your maroon trash container.

You may keep your old recycling bin. If you wish to dispose of your bin, you may place it in your MAROON container. DO NOT put it in your new BLUE recycling container. You may also drop it off at the New Britain Landfill, Deming Road, Berlin.

Your collection day will remain the same as your current day, BUT recycling collection will occur EVERY OTHER WEEK instead of every week. A collection schedule will be provided before the start of the program.

With Single-Stream Recycling ALL recyclable materials will be put into the blue recycling cart. No more bagging, tying, or bundling and no need to sort or separate different types of metal, glass and plastic containers from paper, junk mail, boxboard and cardboard – simply mix all recyclable materials together in the cart, close the lid and wheel it to the curb for collection.

DISPOSAL ITEM | SPECIAL RULES & FEES | WHERE TO TAKE IT

Propane Tank	\$10 fee for disposal	New Britain Landfill
Car Batteries	Free disposal	New Britain Landfill
Motor Oil	Free disposal (5 gallon limit)	New Britain Landfill
